# Vegetable Sicilian Hair Renewer

Has stood the test of seven years before the public; and no preparation for the hair has yet been discovered that will produce the same beneficial results. It is an entirely new scientific discovery, combining many of the most powerful and restoralive agents in the VEGETABLE KINCOOM. It restores GRAY HAIR TO ITS ORIGINAL YOUTHFUL GOLOR. It makes the scalp white and clean; cures dandruff and humors, and falling out of the hair; and wilk make it grow upon badd heads, except in very agel persons, as it furnishes the nutritive principle by which the hair is nourished and supported. It makes the hair moist, soft, and glossy, and is unsurpassed as a HAIK DEESSING. It is the chapest preparation ever offered to the public, as one bottle will accomplish more and last longer than three bottles of any other preparation. It is recommended and used by the First Medical Authority.

The wonderful results produced by our Sicilian Hair Renewer have induced many to manyfacture preparations for the Hair, under various names; and, in order to induce the trade and the public to purchase their compounds, they have resorted to falschood, by claiming they were former parlners, or had some connection with our Mr. Hall, and their preparation was similar to ours. Do not be decived by them. Purchase the original: it has never yet been equalled. Our Treatise on the Hair, with exciplence, sent free by mail.
